#### Contents

Introduction Step 1 - Go to a created page Step 2 - Add images Step 3 - Add a video Step 4 - Add an item Step 5 - Add a pre-requisite tutorial Step 6 - Attach a file Step 7 - Add a link Comments

### Introduction

You can add several types of media to your page or a Dokit user's page. Please authenticate yourself beforehand with your Dokit credentials..

## Step 1 - Go to a created page

1. From the home page, select and open the target page;

2. Click the pencil icon on the right side of the screen.

## Step 2 - Add images

#### Step 3 - Add a video

- 1. Click on Add a video ;
- 2. Type the URL of the video in the empty box;
- 3. Otherwise, click on Youtube;
- 4. Choose MP4;
- 5. Select Import a file;
- 6. Click on Browse;
- 7. Validate with Import file.

## Step 4 - Add an item

- 1. Click on Items
- 2. Select Add an item
- 3. Choose the page to add from the drop-down menu.

t here the items required in the tutorial 🐨			List h	ere the items required in the tutorial 🐨			
3D Printer	× •	1		3D Printer	x *	4	Î
