

Change your preferences

Follow this procedure to change your preferences

 Difficulty **Easy**

 Duration **5 minute(s)**

Contents

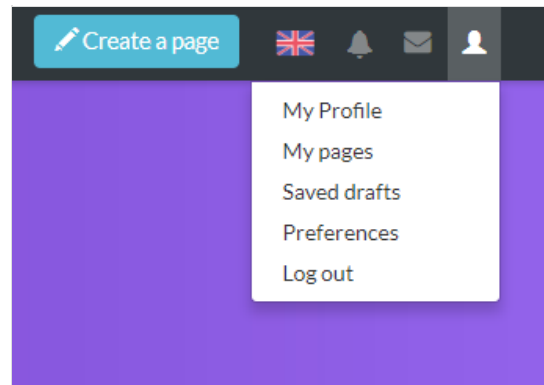

Step 1 - Go to the preferences' page

Step 2 - Confirm choice

Comments

Step 1 - Go to the preferences' page

Click on the avatar icon and select **Preferences**.

Step 2 - Confirm choice

Edit everything that is necessary and then click on **Save**. When the procedure is finished, select **Restore all default settings (in all sections)** a first time at the very bottom of the page to reboot all the settings.

Then click on **Restore all default settings (in all sections)** again to confirm choice.
