## Step 1 - Go to the Create an account page

Click on the avatar icon (at the right top of the screen) and select **Create an account**.

## Step 2 - Fill in the blanks

Fill in the Email address field to find the forgotten password, then click on **Create an account**.
Now check your inbox to check the confirmation email.

> ℹ Creating an account enables you to access all the platform's features. Without any account, you can only go through the tutorials; you can not create or modify some. The optional blanks can be filled in later in the sections Edit Profile and Edit Preferences.

> ℹ IMPORTANT: Fill in the Email address field to find the forgotten password, then click on Create an account. Now check your inbox to check the confirmation email.

# Step 3 - Click on the link to confirm your subscription

Click on the confirmation link to validate your Dokit account in order to create or modify the tutorials.
