🔗 Créer une page Wiki

Step 1 - Create a page

From the home page, select **Create a page** in the horizontal menu at the top of the page.
In the pop-up window that appears:

- Select the **Page** tab from the menu.

- Name the page in the field **Name of the page**.

- Finalize by clicking on **Create**.

Step 2 - Write a new page

At the bottom of the page in the field **Status**, open the drop-down menu and select **Submit for review**.
Click **Save** to submit the created page for review by administrators.

Step 3 - Check the progress of the proofreading of a new page

Click on the avatar icon in the menu bar at the top of the page and select from the drop-down menu **My Profile**.

The list of pages and manuals currently under review by administrators is shown under the **Contributions** tab.
