

Translations:Créer un tutoriel/21/en

1. Click on the blue insert to open the media gallery and import images
2. Assign a title to your step in the step bar
3. Add a brief description for your stage in the space below the stage bar
4. Click on **Add a step** to complete the tutorial with more steps.

You can also add notes and references in the space below the **Add Step** button.
